

Aiello 1999-0053

REMARKS

Claims 1-35, 38-39 are FINALLY rejected, and claims 36-37 are objected to. Although applicants believe that the claims' rejection is not justified, in an effort to advance prosecution and with an eye toward filing a continuation application, claims 1-35 are deleted herein.

Claim 36 is amended to make it independent, incorporating therein all of the limitations of the base claim and all intervening claims. It is believed, therefore, that amended claim 36 overcomes the objection, and so does claim 37, which depends on claim 36.

In light of the above amendments and remarks, applicant respectfully submits that all of the Examiner's objections and rejection have been overcome. Reconsideration and allowance of claims 36-37 are respectfully solicited.

Respectfully,
William A. Aiello

Steven Michael Bellovin
William Todd Marshall
